NK 125CC FEATURES

TFT FULL COLOUR DISPLAY

The large full colour TFT dash displays all information you need clearly at a glance, day or night. The Dash also features Bluetooth connectivity to your mobile phone and has a USB charger.

ENGINE GUARD

The NK 125 is fitted with a stylish bash plate to protect the underside of the engine and exhaust down pipe.

POWERFUL LIQUID COOLED 125cc ENGINE

At the heart of the NK 125 lies a punchy, free revving 4V DOHC Euro 5 compliant 124.2cc single cylinder engine that is right on the upper power output limit for A1 Licence / Learner Legal machines - 11kW (14.75Bhp)

LED LIGHTING

LED Headlight and DRL keep you well visible on the road and add to the aggressive style of the bike. The headlights, indicators and tail lights are all fully equipped with LED technology ensuring optimal visibility in all circumstances.

SPORTS EXHAUST

Stainless steel sports exhaust is lightweight, sounds great and contributes to the bikes sporty and aggressive look.

LIGHTWEIGHT ALUMINIUM SWING ARM

The NK 125 features a lightweight but strong cast alloy Exo skeleton swingarm to minimise unspring weight and improve handling. This particular style of swingarm is popular on KTM sports bikes.

AGGRESSIVE STREET FIGHTER STYLING

The modern design gives an aggressive "street-fighter" style, The double LED headlight, the slim tail and the sharp lines of the superstructures recall the typical elements of modern streetfighters. perfectly suiting this high performance 125 naked bike.

PRECISE, SPORTY HANDLING

The NK 125S's steel cradle beam frame combines low weight with high rigidity, offering a robust feel and sporty character. The 35mm USD front forks ensures precision and excellent cornering feel, while the rear mono-shock suspension provides comfort and stability. The combination of frame and suspension and sporty Timsun tyres ensures ideal handling and top performance.

13.5L FUEL TANK

The NK 125 despite being a sporty machine is still frugal with excellent fuel economy, it has a sculpted and curvaceous 13.5L fuel tank so can ride for longer between re-fuelling.

LOW SEAT HEIGHT & LOW WEIGHT

Ride all day on comfortable, sculpted none slip dual seat with a low seat height of only 790mm. Ideal for easy boarding and maneuvering, especially when the machine only weighs 132 kgs - making the NK 125 accessible for all sizes of riders.
