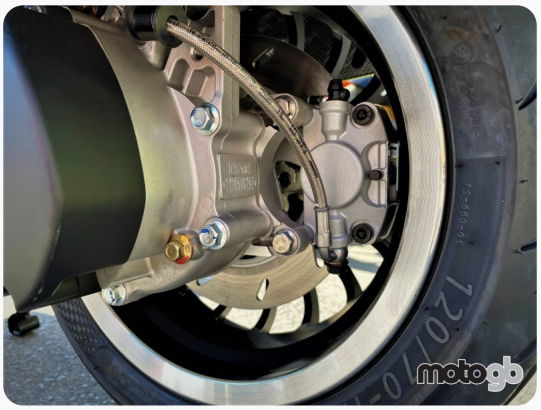
Hydraulic front disc brake with wavy disc and twin adjustable front suspension



REAR BRAKE

Hydraulic rear disc brake with disc

ALLOY WHEELS

Retro style two-tone alloy wheels, black centre with chrome lips

ENGINE

Air Cooled 125cc engine

TFT COLOUR DISPLAY

TFT full-colour display gives you all the info you need and easy to read even in direct sunlight

LED HEADLAMP

LED Head Lamp gives great visibility to the rider and also ensures you are seen by other road users

PILLION FOOTREST

Flip Out Pillion Footrests which can also be used by the rider

FLOOR BOARD RUNNERS

Chrome floor board runners give that extra bit of class

CHROME REAR INDICATORS

Retro style Chrome Rear Indicators

REAR RACK & GRILL

The Chrome Rear Rack gives added style and proves very practical, just above the rack is the rear grill also finished in chrome

SEAT

Twin Saddle allows for plenty of room for pillion passengers or just gives the rider more space to ensure a comfy ride

LED TAILIGHT

The LED Rear Tail Light gives a crisp clean look, while also making you easy to see while out on the road

TOOL BOX & USB CHARGING

The Front Tool Box gives extra storage and also contains a USB charger handy for keeping you phone, satnav or any other USB devices powered up

COLOUR CODED KEYS

The White/Blue and the Red/Blue model also come with colour coded key fobs

CHROME GRILL

More chrome details with the grill on the colour-coded horn cast

HEADLIGHT GEM

Just like the original Lambretta of yesteryear, the TG comes with a headlight gem to show that the headlight is on and working

TG 125 AC - PF74 VPV FINANCE

Flexible payment options to suit your budget
